1. Apologies Ms S Barraclough, Mrs J Clough, Mr M Cooper, Mr G Dudley, Mr R James, Mr R Robertson, Miss S Wormald
2. Minutes of last meeting were approved and signed by the Chairman proposed by Mr Gary Docking, seconded by Mr Michael Neachell.
3.
 - i. RSPCA Case
Mrs Hicketts reported the Smiths case would be back in court on 28th 29th 30th November and 12th 13th December possibly in Luton or St Albans Magistrates Court.
 - ii. Tree Bench Ardingly
The bench has now been erected by the South of England which is a metal circular bench, the South of England paid half and Hackneys paid the other. The Society's contribution was 100.
 - iii. New Classes and Rules
Mrs Stockton said as far as she was concerned a newcomer's class was the most preferred from ideas put forward. The class would be open to animals that have never entered a class previously and no novice points would be awarded and if it was the only class they entered in that novice season then it would not be taken into account as part of a novice season. The rules for the Newcomers Class would be only for exhibits four-year-old or over in their first showing season. This class will have no qualifying or points accruing status and will not be taken into account (if it is the only class entered in a season) in the three-year novice allocation. To be judged under normal harness rules. For the schedule it is to read Stallion, mare or gelding either not exceeding or exceeding 14hh (For exhibits in their first showing season, will not be taken into account the three-year novice allocation if the only class shown in in that season). Mrs Stockton said she felt it would be best for the classes to be held on the Monday afternoon and to move the Private Drive, Double Harness and Trade to the Wednesday. Miss Peters proposed to introduce the newcomers class with the rules stated, seconded by Mr Docking, unanimous. Mrs Stockton reported Mr Haffenden had kindly agreed to supply cups if the classes were introduced.
Action Mrs Hicketts to include in schedule and put in newsletter. Mrs Stockton to write to Mr Haffenden to supply the cups and to thank him
Mr Docking said he had had a suggestion for some type of road drive at Ardingly and he said this was something the police would not be happy to have.
 - iv. Website
Mr Connolly reported Cheltenham Media had looked at various Equine sites and had made up a sample site. The cost to set up a new site would be 750 and 150 per year for the upkeep. He said he would get a code which he will pass to Council so that they can look and see if it would be of any interest. Mrs Hicketts felt a detailed list of what they were proposing for the 150 per year would be required. She said she had had a look at the sample site and felt it was very modern and quite eye-catching and in her opinion both the cost of the website design and the running of it was very reasonable. Council to discuss at the next meeting.
Action Mr Connolly to get full outline of what is proposed for the 150 and to distribute code to council
 - v. Medals/Trophies
Mr Connolly spoke to Mr Dudley and he said he would bring samples to the meeting but he did not say that he would not be attending. Council discussed at length the cost of the old medals, how much the new trophies were, whether trophies or Gold medals would be preferable, whether to increase the cost of entry so that a better winners medal or trophy to be given. Council felt it would be best to have samples of trophies and medals from Mr Dudley with the

cost and for Mrs Hicketts to contact previous supplier to see if they can supply another medal or the same one as previously supplied at a more competitive price.

Action Mr Dudley to supply sample and cost at next meeting. Mrs Hicketts to contact previous supplier

vi. Mr Ambrose

Mr James had emailed to say he had tried but been unable to locate Mr Ambrose, He had been to his address and a neighbour had said he had moved and was given another address but he was not there either. Mr Docking asked if he was still a member and Mrs Hicketts confirmed he was not and that a judge must be a member of the Society. Mr Docking proposed to remove Mr Ambrose from the judge's panel, seconded by Miss Peters, unanimous.

Action Secretary to remove Mr Ambrose from the judge's panel and to inform him

4. Individual Roles/Jobs for all Members of Council

Mrs Stockton reported how concerned she was as to the lack of help from Council. She felt if someone was on Council they should do more for the Society by taking on a role. She said how a lot of jobs were done by friends of Mr Docking or herself at the two shows. She felt strongly that anyone new coming on should be given some form of job and actually all Council should do something. Some of the jobs were, Promotional stand, purchasing of stock and storing goods, help in the tent at Ardingly, and Championship show, lorry parking, stabling, stewarding, website, social media, health and safety, help at judges meeting, proof reading of year book and stud book, getting advertising for year book, fund raising this is to name just a few things required. Mr Bass felt whilst we have royal patronage to take advantage and for letters of sponsorship or donations to be sent to various people and he felt Mr Docking would be the best person to write the letter to send out to people. Mrs Hicketts said if the Society was to use HRH name then everything must be passed by his office. Mr Docking confirmed he would propose a letter to be sent to various people/organisations.

Action Mr Docking to write letter

Mrs Stockton reported the South of England would be having the Duchess of Cornwall as their guest for 2017. Mr McNinch thanked Mr Bass on behalf of everyone for all he did to secure HRH patronage

Mrs Stockton said how she had noticed there were some very good youngsters coming up and perhaps there were one or two people who could mentor them, like a junior officer etc. It was felt all should be brought back to the next meeting for further discussion.

Action Mrs Hicketts to put on next agenda

5. Review of Championship Show

Mrs Stockton said the show was not without a few hiccups although in the end everything went well and the Hackney classes were well supported. The infrastructure was there for the seating and hopefully it would be built by next year. The stabling was much improved and it did help having no liveries there. She said the outside lighting had to be sorted for next year as at night it was dangerous. Mr Chicken asked if the show was contracted and Mrs Hicketts confirmed they were not. Mr Docking said he did not like the arena, the manager was very rude to everyone and he was not certain he would be happy to continue to help if the show stayed at that venue. Mrs Stockton asked Council who attended what they thought of the venue and they were not happy, she said that surprised her as the feedback on the day was positive and Mrs Hicketts said everyone who had commented to her had been positive. Mr Bass felt the facility was not that suitable and another should be looked for, Mrs Stockton reminded the meeting it was not the Hackney show but the Rare Breeds and they had the ultimate decision of moving. Both Mr Bass and Mr Chicken felt the Society was losing its identity where the show was concerned and it should be renamed the Hackney Championships. Council were informed that the Society benefitted greatly by being part of the show and that the profile and identity of the Society had been greatly enhanced. Mr Beeston the CEO of Rare Breeds Survival Trust was constantly promoting the Hackney and twice this year had asked a Hackney to be present at an official function which involved HRH. As far as both the RBST and HBLB were concerned the Hackney was the Society with forward thinking. Mrs Stockton did suggest the Gala evening could be renamed the Hackney Horse and Pony of the Year Gala evening if the Rare Breeds were happy with it. Mr Docking thought the Rare breed of the year needs to be re-looked at to see if it could be a little more exciting. Mrs Stockton informed the meeting that Mr James has confirmed he is going to help on the Rare Breeds side of the show and Mr Connolly will deal with the Hackney classes only, this will have to be ratified with the Rare Breeds Committee. Comments

were made about the Timetable which in the schedule is clearly marked as provisional but not everyone is checking to confirm their times. Mrs Hicketts said she will put a bit on the entry form asking for their email and the confirmed timetable will be forwarded to them, this will only be done with those who supply an email address.

Action Mrs Hicketts to alter Rare Breeds entry form

6. Review of Annual National Breed Show

Complaint received South of England

Mrs Stockton read a letter from the CEO of south of England, where he said there had been a serious allegation from the Shetlands where on the Friday evening one jockey was pushed over and called the C word and told to F off. Both Mrs Stockton and Mrs Hicketts felt it was unlikely to be a Hackney exhibitor and did look into the situation before Mrs Stockton replied. Mr Nichol accepted Mrs Stockton's comments. Council were very pleased with how Mrs Stockton had dealt with the situation.

Action Secretary to put on entry form line for car registration to be included

Stewards/runners

Mrs Hicketts said that it would alleviate problems if there was a collecting ring steward and Nicola Salter has said she would be happy to take the role on. Council thought this was a very good idea. With regard to the other stewards and runners/helpers this would be discussed at the next Council meeting. Miss Peters said it would be better to have Walkie talkies. Mrs Hicketts said these were supplied but for some reason no-one had distributed them. Mrs Stockton said she has her own walkie talkies and would loan them to the Society for the duration of the show. Council thanked her for this.

Caravan lived in lorry passes

Mr Connolly said he will do the plan for the stables and lorries but said whoever helped was not to alter and move people as this only caused problems which was unnecessary. He said he did not want to do as much as last year and would need two people to help him at Ardingly. All helpers and stewards to be discussed at the February meeting.

Amateur class ruling and Section C animals entering

Mrs Stockton said that that there had been requests for Section C animals to be allowed to be shown in the amateur classes at the breed show. It was explained that the Breed Show has a derogation so no Section C animals have to be allowed to be shown and this is the only show this is the case. Council discussed whether it was appropriate to allow Section C animals in the amateur classes or not and Mr E Ward proposed not to allow them seconded by Miss Peters, unanimous. Mrs Stockton said Council needed to decide the way forward for the Amateur classes, points were raised that the person must own the animal they are driving, full emphasis to be given to the fact the animal must be suitable to be driven by an amateur and to possibly change the name of the class slightly, or to just keep it as is but for the judges to be fully informed and reminded of the amateur ruling at the seminar and for them to judge the class correctly. Council felt at this stage to leave it as it is but for judges to be fully aware of the way the amateur classes should be judged.

Allowance for helpers

Mrs Stockton said how although the helpers were supplied bed and breakfast for the duration of the show it was very costly to them as they always had to pay to eat out. Mrs Hicketts said that it costs her about 120 per week for the privilege of having to work. She said she would be more than happy to drive there and back every day but that was not sensible and would then cost the Society more. Mr Docking said that neither he nor anyone wanted paying to help but no-one should be out of pocket for helping the Society out. Mrs Stockton said it would only be for the helpers and not a huge amount but possibly 15 each per day. Miss Peters said she will sponsor to a total of 300 for the food for helpers. Council thanked her for her generosity.

Action Secretary to distribute allowance of 15 per day to helpers at Ardingly

Mr Cresswell asked if the driver of the qualified animal for the championship in the main ring at Ardingly is supposed to be the same driver as the one from the class it qualified from. Mrs Hicketts confirmed that she had already spoken with Mr Cresswell that there was no ruling for this. Council also thought this was something which needed to be confirmed with regard to the open horse and pony of the year. Council felt that the driver should be the same but there could be complications with regard to animals

changing hands, drivers being ill etc. Council felt this should be looked into and asked Mrs Stockton to bring forward a suggestion as to how it could work to the meeting in February

Action Mrs Stockton to bring suggestion to next council meeting regarding driver being the same at the championship as the qualifying class

Ridden Clinic

Mrs Stockton said how this was a success and Mr Connolly said how he had enjoyed the clinic. Mr Docking said Mr Nigel Fuller was interested in doing another one and Mrs Stockton said she would look into it for 2017. Council were grateful to Mr Fuller for his support.

Action Mrs Stockton to organise with Mr Fuller

Too few classes on the Wednesday

This had been addressed as the Private Drive, Light Trade and Double Harness classes would be moved to the Wednesday.

7. Exhibitors Judges Seminar

Mrs Stockton said the Exhibitors/judges seminar is to be held in March maybe at Ashfields centre and that she would be looking at the venue on Sunday 30th October and would report back at the next meeting. She said she was hoping to hold a question and answers section and would go through the rules.

8. New Members and Prefixes

Council agreed to the following new members

Miss D Cooper Alton, Hampshire – Mr B Dunne, Yeadon, Leeds – Mrs Geveling, Arnhem, Netherlands – Mr C Price, Hemel Hempstead, Hertfordshire – Mr Tickner, Blindley Heath, Surrey

There were no new prefixes.

9. Any Other Business

Mr & Mrs Walsh Probationary

The reports were given to council with regard to both Mr and Mrs Walsh. Mrs Walsh reports were given first by all judges and Mr Walsh second. Council felt at this time they were not to be accepted onto the panel. Mrs Hicketts reported Mr Haffenden still had to compete his probationary

Action Mrs Stockton to inform them

New Probationers

Both Mr Huckriede and Mrs Turner had asked if they could be considered to do their probationary judging. Council felt they could do their probationary next year.

Action Secretary to inform them

Chertsey Show

Mrs Hicketts reported that Chertsey Show had contacted the Society as they wished to affiliate their show which was to take place on 12th and 13th August 2017. Council were very happy to allow the affiliation.

Action Mrs Hicketts to confirm to Chertsey show of their affiliation

Newbury Show Classes

Mrs Stockton said how there had been a mix up at Newbury within their classes as they had put open and novice animals in an amalgamated class. It was explained that this was not suitable and they were judged separately. Mrs Stockton said she would speak to Newbury to make sure this did not happen in the future.

Action Mrs Stockton to speak with Newbury to clarify the Novice and Open situation

Mrs Stockton said a letter had been received from Miss Brazier by both herself and the Secretary which was addressed to each individually although the same letter. It made reference to a situation involving Mr Peters in a cob class. Mrs Stockton suggested this was not something for the Society as this was nothing to do with the Society and for her to write to Miss Brazier thanking her for her letter but it is

nothing to do with the Hackney Horse Society and for her to write to whoever the class was affiliated to. Council agreed this was the only way to deal with it.

Action Mrs Stockton to write to Miss Brazier

RSPCA case regarding Mrs T Wade

Mrs Stockton informed Council she had written to Mrs Wade suspending her membership until the RSPCA case had been resolved as per Article 37A under advice from the Society's legal firm. She also said Mrs Wade wanted to attend the Dinner Dance on 29th October and the advice from the Society's legal firm was the terminology of the suspension was "exercising the privileges of membership" and the dinner dance is most definitely one of those privileges. Also that a suspended member does not become a non-member but is specifically a person whom the Society has, through the application of its rules, determined is not welcome to attend its events until the on-going investigation into the alleged mistreatment of animals has been resolved. Council noted the legal firm's comments.

Action Mrs Stockton to write to Mrs Wade informing her of the decision

 - iii. New Classes and Rules
Mrs Stockton said as far as she was concerned a newcomer's class was the most preferred from ideas put forward. The class would be open to animals that have never entered a class previously and no novice points would be awarded and if it was the only class they entered in that novice season then it would not be taken into account as part of a novice season. The rules for the Newcomers Class would be only for exhibits four-year-old or over in their first showing season. This class will have no qualifying or points accruing status and will not be taken into account (if it is the only class entered in a season) in the three-year novice allocation. To be judged under normal harness rules. For the schedule it is to read Stallion, mare or gelding either not exceeding or exceeding 14hh (For exhibits in their first showing season, will not be taken into account the three-year novice allocation if the only class shown in in that season). Mrs Stockton said she felt it would be best for the classes to be held on the Monday afternoon and to move the Private Drive, Double Harness and Trade to the Wednesday. Miss Peters proposed to introduce the newcomers class with the rules stated, seconded by Mr Docking, unanimous. Mrs Stockton reported Mr Haffenden had kindly agreed to supply cups if the classes were introduced.
Action Mrs Hicketts to include in schedule and put in newsletter. Mrs Stockton to write to Mr Haffenden to supply the cups and to thank him
Mr Docking said he had had a suggestion for some type of road drive at Ardingly and he said this was something the police would not be happy to have.
 - iv. Website
Mr Connolly reported Cheltenham Media had looked at various Equine sites and had made up a sample site. The cost to set up a new site would be 750 and 150 per year for the upkeep. He said he would get a code which he will pass to Council so that they can look and see if it would be of any interest. Mrs Hicketts felt a detailed list of what they were proposing for the 150 per year would be required. She said she had had a look at the sample site and felt it was very modern and quite eye-catching and in her opinion both the cost of the website design and the running of it was very reasonable. Council to discuss at the next meeting.
Action Mr Connolly to get full outline of what is proposed for the 150 and to distribute code to council
 - v. Medals/Trophies
Mr Connolly spoke to Mr Dudley and he said he would bring samples to the meeting but he did not say that he would not be attending. Council discussed at length the cost of the old medals, how much the new trophies were, whether trophies or Gold medals would be preferable, whether to increase the cost of entry so that a better winners medal or trophy to be given. Council felt it would be best to have samples of trophies and medals from Mr Dudley with the

cost and for Mrs Hicketts to contact previous supplier to see if they can supply another medal or the same one as previously supplied at a more competitive price.

Action Mr Dudley to supply sample and cost at next meeting. Mrs Hicketts to contact previous supplier

vi. Mr Ambrose

Mr James had emailed to say he had tried but been unable to locate Mr Ambrose, He had been to his address and a neighbour had said he had moved and was given another address but he was not there either. Mr Docking asked if he was still a member and Mrs Hicketts confirmed he was not and that a judge must be a member of the Society. Mr Docking proposed to remove Mr Ambrose from the judge's panel, seconded by Miss Peters, unanimous.

Action Secretary to remove Mr Ambrose from the judge's panel and to inform him

4. Individual Roles/Jobs for all Members of Council

Mrs Stockton reported how concerned she was as to the lack of help from Council. She felt if someone was on Council they should do more for the Society by taking on a role. She said how a lot of jobs were done by friends of Mr Docking or herself at the two shows. She felt strongly that anyone new coming on should be given some form of job and actually all Council should do something. Some of the jobs were, Promotional stand, purchasing of stock and storing goods, help in the tent at Ardingly, and Championship show, lorry parking, stabling, stewarding, website, social media, health and safety, help at judges meeting, proof reading of year book and stud book, getting advertising for year book, fund raising this is to name just a few things required. Mr Bass felt whilst we have royal patronage to take advantage and for letters of sponsorship or donations to be sent to various people and he felt Mr Docking would be the best person to write the letter to send out to people. Mrs Hicketts said if the Society was to use HRH name then everything must be passed by his office. Mr Docking confirmed he would propose a letter to be sent to various people/organisations.

Action Mr Docking to write letter

Mrs Stockton reported the South of England would be having the Duchess of Cornwall as their guest for 2017. Mr McNinch thanked Mr Bass on behalf of everyone for all he did to secure HRH patronage

Mrs Stockton said how she had noticed there were some very good youngsters coming up and perhaps there were one or two people who could mentor them, like a junior officer etc. It was felt all should be brought back to the next meeting for further discussion.

Action Mrs Hicketts to put on next agenda

5. Review of Championship Show

Mrs Stockton said the show was not without a few hiccups although in the end everything went well and the Hackney classes were well supported. The infrastructure was there for the seating and hopefully it would be built by next year. The stabling was much improved and it did help having no liveries there. She said the outside lighting had to be sorted for next year as at night it was dangerous. Mr Chicken asked if the show was contracted and Mrs Hicketts confirmed they were not. Mr Docking said he did not like the arena, the manager was very rude to everyone and he was not certain he would be happy to continue to help if the show stayed at that venue. Mrs Stockton asked Council who attended what they thought of the venue and they were not happy, she said that surprised her as the feedback on the day was positive and Mrs Hicketts said everyone who had commented to her had been positive. Mr Bass felt the facility was not that suitable and another should be looked for, Mrs Stockton reminded the meeting it was not the Hackney show but the Rare Breeds and they had the ultimate decision of moving. Both Mr Bass and Mr Chicken felt the Society was losing its identity where the show was concerned and it should be renamed the Hackney Championships. Council were informed that the Society benefitted greatly by being part of the show and that the profile and identity of the Society had been greatly enhanced. Mr Beeston the CEO of Rare Breeds Survival Trust was constantly promoting the Hackney and twice this year had asked a Hackney to be present at an official function which involved HRH. As far as both the RBST and HBLB were concerned the Hackney was the Society with forward thinking. Mrs Stockton did suggest the Gala evening could be renamed the Hackney Horse and Pony of the Year Gala evening if the Rare Breeds were happy with it. Mr Docking thought the Rare breed of the year needs to be re-looked at to see if it could be a little more exciting. Mrs Stockton informed the meeting that Mr James has confirmed he is going to help on the Rare Breeds side of the show and Mr Connolly will deal with the Hackney classes only, this will have to be ratified with the Rare Breeds Committee. Comments

were made about the Timetable which in the schedule is clearly marked as provisional but not everyone is checking to confirm their times. Mrs Hicketts said she will put a bit on the entry form asking for their email and the confirmed timetable will be forwarded to them, this will only be done with those who supply an email address.

Action Mrs Hicketts to alter Rare Breeds entry form

6. Review of Annual National Breed Show

Complaint received South of England

Mrs Stockton read a letter from the CEO of south of England, where he said there had been a serious allegation from the Shetlands where on the Friday evening one jockey was pushed over and called the C word and told to F off. Both Mrs Stockton and Mrs Hicketts felt it was unlikely to be a Hackney exhibitor and did look into the situation before Mrs Stockton replied. Mr Nichol accepted Mrs Stockton's comments. Council were very pleased with how Mrs Stockton had dealt with the situation.

Action Secretary to put on entry form line for car registration to be included

Stewards/runners

Mrs Hicketts said that it would alleviate problems if there was a collecting ring steward and Nicola Salter has said she would be happy to take the role on. Council thought this was a very good idea. With regard to the other stewards and runners/helpers this would be discussed at the next Council meeting. Miss Peters said it would be better to have Walkie talkies. Mrs Hicketts said these were supplied but for some reason no-one had distributed them. Mrs Stockton said she has her own walkie talkies and would loan them to the Society for the duration of the show. Council thanked her for this.

Caravan lived in lorry passes

Mr Connolly said he will do the plan for the stables and lorries but said whoever helped was not to alter and move people as this only caused problems which was unnecessary. He said he did not want to do as much as last year and would need two people to help him at Ardingly. All helpers and stewards to be discussed at the February meeting.

Amateur class ruling and Section C animals entering

Mrs Stockton said that that there had been requests for Section C animals to be allowed to be shown in the amateur classes at the breed show. It was explained that the Breed Show has a derogation so no Section C animals have to be allowed to be shown and this is the only show this is the case. Council discussed whether it was appropriate to allow Section C animals in the amateur classes or not and Mr E Ward proposed not to allow them seconded by Miss Peters, unanimous. Mrs Stockton said Council needed to decide the way forward for the Amateur classes, points were raised that the person must own the animal they are driving, full emphasis to be given to the fact the animal must be suitable to be driven by an amateur and to possibly change the name of the class slightly, or to just keep it as is but for the judges to be fully informed and reminded of the amateur ruling at the seminar and for them to judge the class correctly. Council felt at this stage to leave it as it is but for judges to be fully aware of the way the amateur classes should be judged.

Allowance for helpers

Mrs Stockton said how although the helpers were supplied bed and breakfast for the duration of the show it was very costly to them as they always had to pay to eat out. Mrs Hicketts said that it costs her about 120 per week for the privilege of having to work. She said she would be more than happy to drive there and back every day but that was not sensible and would then cost the Society more. Mr Docking said that neither he nor anyone wanted paying to help but no-one should be out of pocket for helping the Society out. Mrs Stockton said it would only be for the helpers and not a huge amount but possibly 15 each per day. Miss Peters said she will sponsor to a total of 300 for the food for helpers. Council thanked her for her generosity.

Action Secretary to distribute allowance of 15 per day to helpers at Ardingly

Mr Cresswell asked if the driver of the qualified animal for the championship in the main ring at Ardingly is supposed to be the same driver as the one from the class it qualified from. Mrs Hicketts confirmed that she had already spoken with Mr Cresswell that there was no ruling for this. Council also thought this was something which needed to be confirmed with regard to the open horse and pony of the year. Council felt that the driver should be the same but there could be complications with regard to animals

changing hands, drivers being ill etc. Council felt this should be looked into and asked Mrs Stockton to bring forward a suggestion as to how it could work to the meeting in February

Action Mrs Stockton to bring suggestion to next council meeting regarding driver being the same at the championship as the qualifying class

Ridden Clinic

Mrs Stockton said how this was a success and Mr Connolly said how he had enjoyed the clinic. Mr Docking said Mr Nigel Fuller was interested in doing another one and Mrs Stockton said she would look into it for 2017. Council were grateful to Mr Fuller for his support.

Action Mrs Stockton to organise with Mr Fuller

Too few classes on the Wednesday

This had been addressed as the Private Drive, Light Trade and Double Harness classes would be moved to the Wednesday.

7. Exhibitors Judges Seminar

Mrs Stockton said the Exhibitors/judges seminar is to be held in March maybe at Ashfields centre and that she would be looking at the venue on Sunday 30th October and would report back at the next meeting. She said she was hoping to hold a question and answers section and would go through the rules.

8. New Members and Prefixes

Council agreed to the following new members

Miss D Cooper Alton, Hampshire – Mr B Dunne, Yeadon, Leeds – Mrs Geveling, Arnhem, Netherlands – Mr C Price, Hemel Hempstead, Hertfordshire – Mr Tickner, Blindley Heath, Surrey

There were no new prefixes.

9. Any Other Business

Mr & Mrs Walsh Probationary

The reports were given to council with regard to both Mr and Mrs Walsh. Mrs Walsh reports were given first by all judges and Mr Walsh second. Council felt at this time they were not to be accepted onto the panel. Mrs Hicketts reported Mr Haffenden still had to compete his probationary

Action Mrs Stockton to inform them

New Probationers

Both Mr Huckriede and Mrs Turner had asked if they could be considered to do their probationary judging. Council felt they could do their probationary next year.

Action Secretary to inform them

Chertsey Show

Mrs Hicketts reported that Chertsey Show had contacted the Society as they wished to affiliate their show which was to take place on 12th and 13th August 2017. Council were very happy to allow the affiliation.

Action Mrs Hicketts to confirm to Chertsey show of their affiliation

Newbury Show Classes

Mrs Stockton said how there had been a mix up at Newbury within their classes as they had put open and novice animals in an amalgamated class. It was explained that this was not suitable and they were judged separately. Mrs Stockton said she would speak to Newbury to make sure this did not happen in the future.

Action Mrs Stockton to speak with Newbury to clarify the Novice and Open situation

Mrs Stockton said a letter had been received from Miss Brazier by both herself and the Secretary which was addressed to each individually although the same letter. It made reference to a situation involving Mr Peters in a cob class. Mrs Stockton suggested this was not something for the Society as this was nothing to do with the Society and for her to write to Miss Brazier thanking her for her letter but it is

nothing to do with the Hackney Horse Society and for her to write to whoever the class was affiliated to. Council agreed this was the only way to deal with it.

Action Mrs Stockton to write to Miss Brazier

RSPCA case regarding Mrs T Wade

Mrs Stockton informed Council she had written to Mrs Wade suspending her membership until the RSPCA case had been resolved as per Article 37A under advice from the Society's legal firm. She also said Mrs Wade wanted to attend the Dinner Dance on 29th October and the advice from the Society's legal firm was the terminology of the suspension was "exercising the privileges of membership" and the dinner dance is most definitely one of those privileges. Also that a suspended member does not become a non-member but is specifically a person whom the Society has, through the application of its rules, determined is not welcome to attend its events until the on-going investigation into the alleged mistreatment of animals has been resolved. Council noted the legal firm's comments.

Action Mrs Stockton to write to Mrs Wade informing her of the decision

Mrs Stockton reported Mr Haffenden had kindly agreed to supply cups if the classes were introduced.
Action Mrs Hicketts to include in schedule and put in newsletter. Mrs Stockton to write to Mr Haffenden to supply the cups and to thank him
Mr Docking said he had had a suggestion for some type of road drive at Ardingly and he said this was something the police would not be happy to have.
 - iv. Website
Mr Connolly reported Cheltenham Media had looked at various Equine sites and had made up a sample site. The cost to set up a new site would be 750 and 150 per year for the upkeep. He said he would get a code which he will pass to Council so that they can look and see if it would be of any interest. Mrs Hicketts felt a detailed list of what they were proposing for the 150 per year would be required. She said she had had a look at the sample site and felt it was very modern and quite eye-catching and in her opinion both the cost of the website design and the running of it was very reasonable. Council to discuss at the next meeting.
Action Mr Connolly to get full outline of what is proposed for the 150 and to distribute code to council
 - v. Medals/Trophies
Mr Connolly spoke to Mr Dudley and he said he would bring samples to the meeting but he did not say that he would not be attending. Council discussed at length the cost of the old medals, how much the new trophies were, whether trophies or Gold medals would be preferable, whether to increase the cost of entry so that a better winners medal or trophy to be given. Council felt it would be best to have samples of trophies and medals from Mr Dudley with the

cost and for Mrs Hicketts to contact previous supplier to see if they can supply another medal or the same one as previously supplied at a more competitive price.

Action Mr Dudley to supply sample and cost at next meeting. Mrs Hicketts to contact previous supplier

vi. Mr Ambrose

Mr James had emailed to say he had tried but been unable to locate Mr Ambrose, He had been to his address and a neighbour had said he had moved and was given another address but he was not there either. Mr Docking asked if he was still a member and Mrs Hicketts confirmed he was not and that a judge must be a member of the Society. Mr Docking proposed to remove Mr Ambrose from the judge's panel, seconded by Miss Peters, unanimous.

Action Secretary to remove Mr Ambrose from the judge's panel and to inform him

4. Individual Roles/Jobs for all Members of Council

Mrs Stockton reported how concerned she was as to the lack of help from Council. She felt if someone was on Council they should do more for the Society by taking on a role. She said how a lot of jobs were done by friends of Mr Docking or herself at the two shows. She felt strongly that anyone new coming on should be given some form of job and actually all Council should do something. Some of the jobs were, Promotional stand, purchasing of stock and storing goods, help in the tent at Ardingly, and Championship show, lorry parking, stabling, stewarding, website, social media, health and safety, help at judges meeting, proof reading of year book and stud book, getting advertising for year book, fund raising this is to name just a few things required. Mr Bass felt whilst we have royal patronage to take advantage and for letters of sponsorship or donations to be sent to various people and he felt Mr Docking would be the best person to write the letter to send out to people. Mrs Hicketts said if the Society was to use HRH name then everything must be passed by his office. Mr Docking confirmed he would propose a letter to be sent to various people/organisations.

Action Mr Docking to write letter

Mrs Stockton reported the South of England would be having the Duchess of Cornwall as their guest for 2017. Mr McNinch thanked Mr Bass on behalf of everyone for all he did to secure HRH patronage

Mrs Stockton said how she had noticed there were some very good youngsters coming up and perhaps there were one or two people who could mentor them, like a junior officer etc. It was felt all should be brought back to the next meeting for further discussion.

Action Mrs Hicketts to put on next agenda

5. Review of Championship Show

Mrs Stockton said the show was not without a few hiccups although in the end everything went well and the Hackney classes were well supported. The infrastructure was there for the seating and hopefully it would be built by next year. The stabling was much improved and it did help having no liveries there. She said the outside lighting had to be sorted for next year as at night it was dangerous. Mr Chicken asked if the show was contracted and Mrs Hicketts confirmed they were not. Mr Docking said he did not like the arena, the manager was very rude to everyone and he was not certain he would be happy to continue to help if the show stayed at that venue. Mrs Stockton asked Council who attended what they thought of the venue and they were not happy, she said that surprised her as the feedback on the day was positive and Mrs Hicketts said everyone who had commented to her had been positive. Mr Bass felt the facility was not that suitable and another should be looked for, Mrs Stockton reminded the meeting it was not the Hackney show but the Rare Breeds and they had the ultimate decision of moving. Both Mr Bass and Mr Chicken felt the Society was losing its identity where the show was concerned and it should be renamed the Hackney Championships. Council were informed that the Society benefitted greatly by being part of the show and that the profile and identity of the Society had been greatly enhanced. Mr Beeston the CEO of Rare Breeds Survival Trust was constantly promoting the Hackney and twice this year had asked a Hackney to be present at an official function which involved HRH. As far as both the RBST and HBLB were concerned the Hackney was the Society with forward thinking. Mrs Stockton did suggest the Gala evening could be renamed the Hackney Horse and Pony of the Year Gala evening if the Rare Breeds were happy with it. Mr Docking thought the Rare breed of the year needs to be re-looked at to see if it could be a little more exciting. Mrs Stockton informed the meeting that Mr James has confirmed he is going to help on the Rare Breeds side of the show and Mr Connolly will deal with the Hackney classes only, this will have to be ratified with the Rare Breeds Committee. Comments

were made about the Timetable which in the schedule is clearly marked as provisional but not everyone is checking to confirm their times. Mrs Hicketts said she will put a bit on the entry form asking for their email and the confirmed timetable will be forwarded to them, this will only be done with those who supply an email address.

Action Mrs Hicketts to alter Rare Breeds entry form

6. Review of Annual National Breed Show

Complaint received South of England

Mrs Stockton read a letter from the CEO of south of England, where he said there had been a serious allegation from the Shetlands where on the Friday evening one jockey was pushed over and called the C word and told to F off. Both Mrs Stockton and Mrs Hicketts felt it was unlikely to be a Hackney exhibitor and did look into the situation before Mrs Stockton replied. Mr Nichol accepted Mrs Stockton's comments. Council were very pleased with how Mrs Stockton had dealt with the situation.

Action Secretary to put on entry form line for car registration to be included

Stewards/runners

Mrs Hicketts said that it would alleviate problems if there was a collecting ring steward and Nicola Salter has said she would be happy to take the role on. Council thought this was a very good idea. With regard to the other stewards and runners/helpers this would be discussed at the next Council meeting. Miss Peters said it would be better to have Walkie talkies. Mrs Hicketts said these were supplied but for some reason no-one had distributed them. Mrs Stockton said she has her own walkie talkies and would loan them to the Society for the duration of the show. Council thanked her for this.

Caravan lived in lorry passes

Mr Connolly said he will do the plan for the stables and lorries but said whoever helped was not to alter and move people as this only caused problems which was unnecessary. He said he did not want to do as much as last year and would need two people to help him at Ardingly. All helpers and stewards to be discussed at the February meeting.

Amateur class ruling and Section C animals entering

Mrs Stockton said that there had been requests for Section C animals to be allowed to be shown in the amateur classes at the breed show. It was explained that the Breed Show has a derogation so no Section C animals have to be allowed to be shown and this is the only show this is the case. Council discussed whether it was appropriate to allow Section C animals in the amateur classes or not and Mr E Ward proposed not to allow them seconded by Miss Peters, unanimous. Mrs Stockton said Council needed to decide the way forward for the Amateur classes, points were raised that the person must own the animal they are driving, full emphasis to be given to the fact the animal must be suitable to be driven by an amateur and to possibly change the name of the class slightly, or to just keep it as is but for the judges to be fully informed and reminded of the amateur ruling at the seminar and for them to judge the class correctly. Council felt at this stage to leave it as it is but for judges to be fully aware of the way the amateur classes should be judged.

Allowance for helpers

Mrs Stockton said how although the helpers were supplied bed and breakfast for the duration of the show it was very costly to them as they always had to pay to eat out. Mrs Hicketts said that it costs her about 120 per week for the privilege of having to work. She said she would be more than happy to drive there and back every day but that was not sensible and would then cost the Society more. Mr Docking said that neither he nor anyone wanted paying to help but no-one should be out of pocket for helping the Society out. Mrs Stockton said it would only be for the helpers and not a huge amount but possibly 15 each per day. Miss Peters said she will sponsor to a total of 300 for the food for helpers. Council thanked her for her generosity.

Action Secretary to distribute allowance of 15 per day to helpers at Ardingly

Mr Cresswell asked if the driver of the qualified animal for the championship in the main ring at Ardingly is supposed to be the same driver as the one from the class it qualified from. Mrs Hicketts confirmed that she had already spoken with Mr Cresswell that there was no ruling for this. Council also thought this was something which needed to be confirmed with regard to the open horse and pony of the year. Council felt that the driver should be the same but there could be complications with regard to animals

changing hands, drivers being ill etc. Council felt this should be looked into and asked Mrs Stockton to bring forward a suggestion as to how it could work to the meeting in February

Action Mrs Stockton to bring suggestion to next council meeting regarding driver being the same at the championship as the qualifying class

Ridden Clinic

Mrs Stockton said how this was a success and Mr Connolly said how he had enjoyed the clinic. Mr Docking said Mr Nigel Fuller was interested in doing another one and Mrs Stockton said she would look into it for 2017. Council were grateful to Mr Fuller for his support.

Action Mrs Stockton to organise with Mr Fuller

Too few classes on the Wednesday

This had been addressed as the Private Drive, Light Trade and Double Harness classes would be moved to the Wednesday.

7. Exhibitors Judges Seminar

Mrs Stockton said the Exhibitors/judges seminar is to be held in March maybe at Ashfields centre and that she would be looking at the venue on Sunday 30th October and would report back at the next meeting. She said she was hoping to hold a question and answers section and would go through the rules.

8. New Members and Prefixes

Council agreed to the following new members

Miss D Cooper Alton, Hampshire – Mr B Dunne, Yeadon, Leeds – Mrs Geveling, Arnhem, Netherlands – Mr C Price, Hemel Hempstead, Hertfordshire – Mr Tickner, Blindley Heath, Surrey

There were no new prefixes.

9. Any Other Business

Mr & Mrs Walsh Probationary

The reports were given to council with regard to both Mr and Mrs Walsh. Mrs Walsh reports were given first by all judges and Mr Walsh second. Council felt at this time they were not to be accepted onto the panel. Mrs Hicketts reported Mr Haffenden still had to compete his probationary

Action Mrs Stockton to inform them

New Probationers

Both Mr Huckriede and Mrs Turner had asked if they could be considered to do their probationary judging. Council felt they could do their probationary next year.

Action Secretary to inform them

Chertsey Show

Mrs Hicketts reported that Chertsey Show had contacted the Society as they wished to affiliate their show which was to take place on 12th and 13th August 2017. Council were very happy to allow the affiliation.

Action Mrs Hicketts to confirm to Chertsey show of their affiliation

Newbury Show Classes

Mrs Stockton said how there had been a mix up at Newbury within their classes as they had put open and novice animals in an amalgamated class. It was explained that this was not suitable and they were judged separately. Mrs Stockton said she would speak to Newbury to make sure this did not happen in the future.

Action Mrs Stockton to speak with Newbury to clarify the Novice and Open situation

Mrs Stockton said a letter had been received from Miss Brazier by both herself and the Secretary which was addressed to each individually although the same letter. It made reference to a situation involving Mr Peters in a cob class. Mrs Stockton suggested this was not something for the Society as this was nothing to do with the Society and for her to write to Miss Brazier thanking her for her letter but it is

nothing to do with the Hackney Horse Society and for her to write to whoever the class was affiliated to. Council agreed this was the only way to deal with it.

Action Mrs Stockton to write to Miss Brazier

RSPCA case regarding Mrs T Wade

Mrs Stockton informed Council she had written to Mrs Wade suspending her membership until the RSPCA case had been resolved as per Article 37A under advice from the Society's legal firm. She also said Mrs Wade wanted to attend the Dinner Dance on 29th October and the advice from the Society's legal firm was the terminology of the suspension was "exercising the privileges of membership" and the dinner dance is most definitely one of those privileges. Also that a suspended member does not become a non-member but is specifically a person whom the Society has, through the application of its rules, determined is not welcome to attend its events until the on-going investigation into the alleged mistreatment of animals has been resolved. Council noted the legal firm's comments.

Action Mrs Stockton to write to Mrs Wade informing her of the decision

The rules for the Newcomers Class would be only for exhibits four-year-old or over in their first showing season. This class will have no qualifying or points accruing status and will not be taken into account (if it is the only class entered in a season) in the three-year novice allocation. To be judged under normal harness rules. For the schedule it is to read Stallion, mare or gelding either not exceeding or exceeding 14hh (For exhibits in their first showing season, will not be taken into account the three-year novice allocation if the only class shown in in that season). Mrs Stockton said she felt it would be best for the classes to be held on the Monday afternoon and to move the Private Drive, Double Harness and Trade to the Wednesday.  - v. Medals/Trophies
Mr Connolly spoke to Mr Dudley and he said he would bring samples to the meeting but he did not say that he would not be attending. Council discussed at length the cost of the old medals, how much the new trophies were, whether trophies or Gold medals would be preferable, whether to increase the cost of entry so that a better winners medal or trophy to be given. Council felt it would be best to have samples of trophies and medals from Mr Dudley with the

cost and for Mrs Hicketts to contact previous supplier to see if they can supply another medal or the same one as previously supplied at a more competitive price.

Action Mr Dudley to supply sample and cost at next meeting. Mrs Hicketts to contact previous supplier

vi. Mr Ambrose

Mr James had emailed to say he had tried but been unable to locate Mr Ambrose, He had been to his address and a neighbour had said he had moved and was given another address but he was not there either. Mr Docking asked if he was still a member and Mrs Hicketts confirmed he was not and that a judge must be a member of the Society. Mr Docking proposed to remove Mr Ambrose from the judge's panel, seconded by Miss Peters, unanimous.

Action Secretary to remove Mr Ambrose from the judge's panel and to inform him

4. Individual Roles/Jobs for all Members of Council

Mrs Stockton reported how concerned she was as to the lack of help from Council. She felt if someone was on Council they should do more for the Society by taking on a role. She said how a lot of jobs were done by friends of Mr Docking or herself at the two shows. She felt strongly that anyone new coming on should be given some form of job and actually all Council should do something. Some of the jobs were, Promotional stand, purchasing of stock and storing goods, help in the tent at Ardingly, and Championship show, lorry parking, stabling, stewarding, website, social media, health and safety, help at judges meeting, proof reading of year book and stud book, getting advertising for year book, fund raising this is to name just a few things required. Mr Bass felt whilst we have royal patronage to take advantage and for letters of sponsorship or donations to be sent to various people and he felt Mr Docking would be the best person to write the letter to send out to people. Mrs Hicketts said if the Society was to use HRH name then everything must be passed by his office. Mr Docking confirmed he would propose a letter to be sent to various people/organisations.

Action Mr Docking to write letter

Mrs Stockton reported the South of England would be having the Duchess of Cornwall as their guest for 2017. Mr McNinch thanked Mr Bass on behalf of everyone for all he did to secure HRH patronage

Mrs Stockton said how she had noticed there were some very good youngsters coming up and perhaps there were one or two people who could mentor them, like a junior officer etc. It was felt all should be brought back to the next meeting for further discussion.

Action Mrs Hicketts to put on next agenda

5. Review of Championship Show

Mrs Stockton said the show was not without a few hiccups although in the end everything went well and the Hackney classes were well supported. The infrastructure was there for the seating and hopefully it would be built by next year. The stabling was much improved and it did help having no liveries there. She said the outside lighting had to be sorted for next year as at night it was dangerous. Mr Chicken asked if the show was contracted and Mrs Hicketts confirmed they were not. Mr Docking said he did not like the arena, the manager was very rude to everyone and he was not certain he would be happy to continue to help if the show stayed at that venue. Mrs Stockton asked Council who attended what they thought of the venue and they were not happy, she said that surprised her as the feedback on the day was positive and Mrs Hicketts said everyone who had commented to her had been positive. Mr Bass felt the facility was not that suitable and another should be looked for, Mrs Stockton reminded the meeting it was not the Hackney show but the Rare Breeds and they had the ultimate decision of moving. Both Mr Bass and Mr Chicken felt the Society was losing its identity where the show was concerned and it should be renamed the Hackney Championships. Council were informed that the Society benefitted greatly by being part of the show and that the profile and identity of the Society had been greatly enhanced. Mr Beeston the CEO of Rare Breeds Survival Trust was constantly promoting the Hackney and twice this year had asked a Hackney to be present at an official function which involved HRH. As far as both the RBST and HBLB were concerned the Hackney was the Society with forward thinking. Mrs Stockton did suggest the Gala evening could be renamed the Hackney Horse and Pony of the Year Gala evening if the Rare Breeds were happy with it. Mr Docking thought the Rare breed of the year needs to be re-looked at to see if it could be a little more exciting. Mrs Stockton informed the meeting that Mr James has confirmed he is going to help on the Rare Breeds side of the show and Mr Connolly will deal with the Hackney classes only, this will have to be ratified with the Rare Breeds Committee. Comments

were made about the Timetable which in the schedule is clearly marked as provisional but not everyone is checking to confirm their times. Mrs Hicketts said she will put a bit on the entry form asking for their email and the confirmed timetable will be forwarded to them, this will only be done with those who supply an email address.

Action Mrs Hicketts to alter Rare Breeds entry form

6. Review of Annual National Breed Show

Complaint received South of England

Mrs Stockton read a letter from the CEO of south of England, where he said there had been a serious allegation from the Shetlands where on the Friday evening one jockey was pushed over and called the C word and told to F off. Both Mrs Stockton and Mrs Hicketts felt it was unlikely to be a Hackney exhibitor and did look into the situation before Mrs Stockton replied. Mr Nichol accepted Mrs Stockton's comments. Council were very pleased with how Mrs Stockton had dealt with the situation.

Action Secretary to put on entry form line for car registration to be included

Stewards/runners

Mrs Hicketts said that it would alleviate problems if there was a collecting ring steward and Nicola Salter has said she would be happy to take the role on. Council thought this was a very good idea. With regard to the other stewards and runners/helpers this would be discussed at the next Council meeting. Miss Peters said it would be better to have Walkie talkies. Mrs Hicketts said these were supplied but for some reason no-one had distributed them. Mrs Stockton said she has her own walkie talkies and would loan them to the Society for the duration of the show. Council thanked her for this.

Caravan lived in lorry passes

Mr Connolly said he will do the plan for the stables and lorries but said whoever helped was not to alter and move people as this only caused problems which was unnecessary. He said he did not want to do as much as last year and would need two people to help him at Ardingly. All helpers and stewards to be discussed at the February meeting.

Amateur class ruling and Section C animals entering

Mrs Stockton said that there had been requests for Section C animals to be allowed to be shown in the amateur classes at the breed show. It was explained that the Breed Show has a derogation so no Section C animals have to be allowed to be shown and this is the only show this is the case. Council discussed whether it was appropriate to allow Section C animals in the amateur classes or not and Mr E Ward proposed not to allow them seconded by Miss Peters, unanimous. Mrs Stockton said Council needed to decide the way forward for the Amateur classes, points were raised that the person must own the animal they are driving, full emphasis to be given to the fact the animal must be suitable to be driven by an amateur and to possibly change the name of the class slightly, or to just keep it as is but for the judges to be fully informed and reminded of the amateur ruling at the seminar and for them to judge the class correctly. Council felt at this stage to leave it as it is but for judges to be fully aware of the way the amateur classes should be judged.

Allowance for helpers

Mrs Stockton said how although the helpers were supplied bed and breakfast for the duration of the show it was very costly to them as they always had to pay to eat out. Mrs Hicketts said that it costs her about 120 per week for the privilege of having to work. She said she would be more than happy to drive there and back every day but that was not sensible and would then cost the Society more. Mr Docking said that neither he nor anyone wanted paying to help but no-one should be out of pocket for helping the Society out. Mrs Stockton said it would only be for the helpers and not a huge amount but possibly 15 each per day. Miss Peters said she will sponsor to a total of 300 for the food for helpers. Council thanked her for her generosity.

Action Secretary to distribute allowance of 15 per day to helpers at Ardingly

Mr Cresswell asked if the driver of the qualified animal for the championship in the main ring at Ardingly is supposed to be the same driver as the one from the class it qualified from. Mrs Hicketts confirmed that she had already spoken with Mr Cresswell that there was no ruling for this. Council also thought this was something which needed to be confirmed with regard to the open horse and pony of the year. Council felt that the driver should be the same but there could be complications with regard to animals

changing hands, drivers being ill etc. Council felt this should be looked into and asked Mrs Stockton to bring forward a suggestion as to how it could work to the meeting in February

Action Mrs Stockton to bring suggestion to next council meeting regarding driver being the same at the championship as the qualifying class

Ridden Clinic

Mrs Stockton said how this was a success and Mr Connolly said how he had enjoyed the clinic. Mr Docking said Mr Nigel Fuller was interested in doing another one and Mrs Stockton said she would look into it for 2017. Council were grateful to Mr Fuller for his support.

Action Mrs Stockton to organise with Mr Fuller

Too few classes on the Wednesday

This had been addressed as the Private Drive, Light Trade and Double Harness classes would be moved to the Wednesday.

7. Exhibitors Judges Seminar

Mrs Stockton said the Exhibitors/judges seminar is to be held in March maybe at Ashfields centre and that she would be looking at the venue on Sunday 30th October and would report back at the next meeting. She said she was hoping to hold a question and answers section and would go through the rules.

8. New Members and Prefixes

Council agreed to the following new members

Miss D Cooper Alton, Hampshire – Mr B Dunne, Yeadon, Leeds – Mrs Geveling, Arnhem, Netherlands – Mr C Price, Hemel Hempstead, Hertfordshire – Mr Tickner, Blindley Heath, Surrey

There were no new prefixes.

9. Any Other Business

Mr & Mrs Walsh Probationary

The reports were given to council with regard to both Mr and Mrs Walsh. Mrs Walsh reports were given first by all judges and Mr Walsh second. Council felt at this time they were not to be accepted onto the panel. Mrs Hicketts reported Mr Haffenden still had to compete his probationary

Action Mrs Stockton to inform them

New Probationers

Both Mr Huckriede and Mrs Turner had asked if they could be considered to do their probationary judging. Council felt they could do their probationary next year.

Action Secretary to inform them

Chertsey Show

Mrs Hicketts reported that Chertsey Show had contacted the Society as they wished to affiliate their show which was to take place on 12th and 13th August 2017. Council were very happy to allow the affiliation.

Action Mrs Hicketts to confirm to Chertsey show of their affiliation

Newbury Show Classes

Mrs Stockton said how there had been a mix up at Newbury within their classes as they had put open and novice animals in an amalgamated class. It was explained that this was not suitable and they were judged separately. Mrs Stockton said she would speak to Newbury to make sure this did not happen in the future.

Action Mrs Stockton to speak with Newbury to clarify the Novice and Open situation

Mrs Stockton said a letter had been received from Miss Brazier by both herself and the Secretary which was addressed to each individually although the same letter. It made reference to a situation involving Mr Peters in a cob class. Mrs Stockton suggested this was not something for the Society as this was nothing to do with the Society and for her to write to Miss Brazier thanking her for her letter but it is

nothing to do with the Hackney Horse Society and for her to write to whoever the class was affiliated to. Council agreed this was the only way to deal with it.

Action Mrs Stockton to write to Miss Brazier

RSPCA case regarding Mrs T Wade

Mrs Stockton informed Council she had written to Mrs Wade suspending her membership until the RSPCA case had been resolved as per Article 37A under advice from the Society's legal firm. She also said Mrs Wade wanted to attend the Dinner Dance on 29th October and the advice from the Society's legal firm was the terminology of the suspension was "exercising the privileges of membership" and the dinner dance is most definitely one of those privileges. Also that a suspended member does not become a non-member but is specifically a person whom the Society has, through the application of its rules, determined is not welcome to attend its events until the on-going investigation into the alleged mistreatment of animals has been resolved. Council noted the legal firm's comments.

Action Mrs Stockton to write to Mrs Wade informing her of the decision

The bench has now been erected by the South of England which is a metal circular bench, the South of England paid half and Hackneys paid the other. The Society's contribution was 100.
 - iii. New Classes and Rules
Mrs Stockton said as far as she was concerned a newcomer's class was the most preferred from ideas put forward. The class would be open to animals that have never entered a class previously and no novice points would be awarded and if it was the only class they entered in that novice season then it would not be taken into account as part of a novice season. The rules for the Newcomers Class would be only for exhibits four-year-old or over in their first showing season. This class will have no qualifying or points accruing status and will not be taken into account (if it is the only class entered in a season) in the three-year novice allocation. To be judged under normal harness rules. For the schedule it is to read Stallion, mare or gelding either not exceeding or exceeding 14hh (For exhibits in their first showing season, will not be taken into account the three-year novice allocation if the only class shown in in that season). Mrs Stockton said she felt it would be best for the classes to be held on the Monday afternoon and to move the Private Drive, Double Harness and Trade to the Wednesday. Mrs Stockton reported Mr Haffenden had kindly agreed to supply cups if the classes were introduced.

Mr Docking said he had had a suggestion for some type of road drive at Ardingly and he said this was something the police would not be happy to have.
 - iv. Website
Mr Connolly reported Cheltenham Media had looked at various Equine sites and had made up a sample site. The cost to set up a new site would be 750 and 150 per year for the upkeep. He said he would get a code which he will pass to Council so that they can look and see if it would be of any interest. Mrs Hicketts felt a detailed list of what they were proposing for the 150 per year would be required. She said she had had a look at the sample site and felt it was very modern and quite eye-catching and in her opinion both the cost of the website design and the running of it was very reasonable. Council to discuss at the next meeting.
Action Mr Connolly to get full outline of what is proposed for the 150 and to distribute code to council
 - v. Medals/Trophies
Mr Connolly spoke to Mr Dudley and he said he would bring samples to the meeting but he did not say that he would not be attending. 4. Individual Roles/Jobs for all Members of Council

Mrs Stockton reported how concerned she was as to the lack of help from Council. She felt if someone was on Council they should do more for the Society by taking on a role. She said how a lot of jobs were done by friends of Mr Docking or herself at the two shows. She felt strongly that anyone new coming on should be given some form of job and actually all Council should do something. Some of the jobs were, Promotional stand, purchasing of stock and storing goods, help in the tent at Ardingly, and Championship show, lorry parking, stabling, stewarding, website, social media, health and safety, help at judges meeting, proof reading of year book and stud book, getting advertising for year book, fund raising this is to name just a few things required. Mr Bass felt whilst we have royal patronage to take advantage and for letters of sponsorship or donations to be sent to various people and he felt Mr Docking would be the best person to write the letter to send out to people. Mrs Hicketts said if the Society was to use HRH name then everything must be passed by his office. Mr Docking confirmed he would propose a letter to be sent to various people/organisations.

Action Mr Docking to write letter

Mrs Stockton reported the South of England would be having the Duchess of Cornwall as their guest for 2017. Mr McNinch thanked Mr Bass on behalf of everyone for all he did to secure HRH patronage

Mrs Stockton said how she had noticed there were some very good youngsters coming up and perhaps there were one or two people who could mentor them, like a junior officer etc. It was felt all should be brought back to the next meeting for further discussion.

Action Mrs Hicketts to put on next agenda

5. Review of Championship Show

Mrs Stockton said the show was not without a few hiccups although in the end everything went well and the Hackney classes were well supported. The infrastructure was there for the seating and hopefully it would be built by next year. The stabling was much improved and it did help having no liveries there. She said the outside lighting had to be sorted for next year as at night it was dangerous. Mr Chicken asked if the show was contracted and Mrs Hicketts confirmed they were not. Mr Docking said he did not like the arena, the manager was very rude to everyone and he was not certain he would be happy to continue to help if the show stayed at that venue. Mrs Stockton asked Council who attended what they thought of the venue and they were not happy, she said that surprised her as the feedback on the day was positive and Mrs Hicketts said everyone who had commented to her had been positive. Mr Bass felt the facility was not that suitable and another should be looked for, Mrs Stockton reminded the meeting it was not the Hackney show but the Rare Breeds and they had the ultimate decision of moving. Both Mr Bass and Mr Chicken felt the Society was losing its identity where the show was concerned and it should be renamed the Hackney Championships. Council were informed that the Society benefitted greatly by being part of the show and that the profile and identity of the Society had been greatly enhanced. Mr Beeston the CEO of Rare Breeds Survival Trust was constantly promoting the Hackney and twice this year had asked a Hackney to be present at an official function which involved HRH. As far as both the RBST and HBLB were concerned the Hackney was the Society with forward thinking. Mrs Stockton did suggest the Gala evening could be renamed the Hackney Horse and Pony of the Year Gala evening if the Rare Breeds were happy with it. Mr Docking thought the Rare breed of the year needs to be re-looked at to see if it could be a little more exciting. Mrs Stockton informed the meeting that Mr James has confirmed he is going to help on the Rare Breeds side of the show and Mr Connolly will deal with the Hackney classes only, this will have to be ratified with the Rare Breeds Committee. Comments

were made about the Timetable which in the schedule is clearly marked as provisional but not everyone is checking to confirm their times. Mrs Hicketts said she will put a bit on the entry form asking for their email and the confirmed timetable will be forwarded to them, this will only be done with those who supply an email address.

Action Mrs Hicketts to alter Rare Breeds entry form

6. Review of Annual National Breed Show

Complaint received South of England

Mrs Stockton read a letter from the CEO of south of England, where he said there had been a serious allegation from the Shetlands where on the Friday evening one jockey was pushed over and called the C word and told to F off. Both Mrs Stockton and Mrs Hicketts felt it was unlikely to be a Hackney exhibitor and did look into the situation before Mrs Stockton replied. Mr Nichol accepted Mrs Stockton's comments. Council were very pleased with how Mrs Stockton had dealt with the situation.

Action Secretary to put on entry form line for car registration to be included

Stewards/runners

Mrs Hicketts said that it would alleviate problems if there was a collecting ring steward and Nicola Salter has said she would be happy to take the role on. Council thought this was a very good idea. With regard to the other stewards and runners/helpers this would be discussed at the next Council meeting. Miss Peters said it would be better to have Walkie talkies. Mrs Hicketts said these were supplied but for some reason no-one had distributed them. Mrs Stockton said she has her own walkie talkies and would loan them to the Society for the duration of the show. Council thanked her for this.

Caravan lived in lorry passes

Mr Connolly said he will do the plan for the stables and lorries but said whoever helped was not to alter and move people as this only caused problems which was unnecessary. He said he did not want to do as much as last year and would need two people to help him at Ardingly. All helpers and stewards to be discussed at the February meeting.

Amateur class ruling and Section C animals entering

Mrs Stockton said that that there had been requests for Section C animals to be allowed to be shown in the amateur classes at the breed show. It was explained that the Breed Show has a derogation so no Section C animals have to be allowed to be shown and this is the only show this is the case. Council discussed whether it was appropriate to allow Section C animals in the amateur classes or not and Mr E Ward proposed not to allow them seconded by Miss Peters, unanimous. Mrs Stockton said Council needed to decide the way forward for the Amateur classes, points were raised that the person must own the animal they are driving, full emphasis to be given to the fact the animal must be suitable to be driven by an amateur and to possibly change the name of the class slightly, or to just keep it as is but for the judges to be fully informed and reminded of the amateur ruling at the seminar and for them to judge the class correctly. Council felt at this stage to leave it as it is but for judges to be fully aware of the way the amateur classes should be judged.

Allowance for helpers

Mrs Stockton said how although the helpers were supplied bed and breakfast for the duration of the show it was very costly to them as they always had to pay to eat out. Mrs Hicketts said that it costs her about 120 per week for the privilege of having to work. She said she would be more than happy to drive there and back every day but that was not sensible and would then cost the Society more. Mr Docking said that neither he nor anyone wanted paying to help but no-one should be out of pocket for helping the Society out. Mrs Stockton said it would only be for the helpers and not a huge amount but possibly 15 each per day. Miss Peters said she will sponsor to a total of 300 for the food for helpers. Council thanked her for her generosity.

Action Secretary to distribute allowance of 15 per day to helpers at Ardingly

Mr Cresswell asked if the driver of the qualified animal for the championship in the main ring at Ardingly is supposed to be the same driver as the one from the class it qualified from. Mrs Hicketts confirmed that she had already spoken with Mr Cresswell that there was no ruling for this. Council also thought this was something which needed to be confirmed with regard to the open horse and pony of the year. Council felt that the driver should be the same but there could be complications with regard to animals

changing hands, drivers being ill etc. Council felt this should be looked into and asked Mrs Stockton to bring forward a suggestion as to how it could work to the meeting in February

Action Mrs Stockton to bring suggestion to next council meeting regarding driver being the same at the championship as the qualifying class

Ridden Clinic

Mrs Stockton said how this was a success and Mr Connolly said how he had enjoyed the clinic. Mr Docking said Mr Nigel Fuller was interested in doing another one and Mrs Stockton said she would look into it for 2017. Council were grateful to Mr Fuller for his support.

Action Mrs Stockton to organise with Mr Fuller

Too few classes on the Wednesday

This had been addressed as the Private Drive, Light Trade and Double Harness classes would be moved to the Wednesday.

7. Exhibitors Judges Seminar

Mrs Stockton said the Exhibitors/judges seminar is to be held in March maybe at Ashfields centre and that she would be looking at the venue on Sunday 30th October and would report back at the next meeting. She said she was hoping to hold a question and answers section and would go through the rules.

8. New Members and Prefixes

Council agreed to the following new members

Miss D Cooper Alton, Hampshire – Mr B Dunne, Yeadon, Leeds – Mrs Geveling, Arnhem, Netherlands – Mr C Price, Hemel Hempstead, Hertfordshire – Mr Tickner, Blindley Heath, Surrey

There were no new prefixes.

9. Any Other Business

Mr & Mrs Walsh Probationary

The reports were given to council with regard to both Mr and Mrs Walsh. Mrs Walsh reports were given first by all judges and Mr Walsh second. Council felt at this time they were not to be accepted onto the panel. Mrs Hicketts reported Mr Haffenden still had to compete his probationary

Action Mrs Stockton to inform them

New Probationers

Both Mr Huckriede and Mrs Turner had asked if they could be considered to do their probationary judging. Council felt they could do their probationary next year.

Action Secretary to inform them

Chertsey Show

Mrs Hicketts reported that Chertsey Show had contacted the Society as they wished to affiliate their show which was to take place on 12th and 13th August 2017. Council were very happy to allow the affiliation.

Action Mrs Hicketts to confirm to Chertsey show of their affiliation

Newbury Show Classes

Mrs Stockton said how there had been a mix up at Newbury within their classes as they had put open and novice animals in an amalgamated class. It was explained that this was not suitable and they were judged separately. Mrs Stockton said she would speak to Newbury to make sure this did not happen in the future.

Action Mrs Stockton to speak with Newbury to clarify the Novice and Open situation

Mrs Stockton said a letter had been received from Miss Brazier by both herself and the Secretary which was addressed to each individually although the same letter. It made reference to a situation involving Mr Peters in a cob class. Mrs Stockton suggested this was not something for the Society as this was nothing to do with the Society and for her to write to Miss Brazier thanking her for her letter but it is

nothing to do with the Hackney Horse Society and for her to write to whoever the class was affiliated to. Council agreed this was the only way to deal with it.

Action Mrs Stockton to write to Miss Brazier

RSPCA case regarding Mrs T Wade

Mrs Stockton informed Council she had written to Mrs Wade suspending her membership until the RSPCA case had been resolved as per Article 37A under advice from the Society's legal firm. She also said Mrs Wade wanted to attend the Dinner Dance on 29th October and the advice from the Society's legal firm was the terminology of the suspension was "exercising the privileges of membership" and the dinner dance is most definitely one of those privileges. Also that a suspended member does not become a non-member but is specifically a person whom the Society has, through the application of its rules, determined is not welcome to attend its events until the on-going investigation into the alleged mistreatment of animals has been resolved. Council noted the legal firm's comments.

Action Mrs Stockton to write to Mrs Wade informing her of the decision

1. Apologies Ms S Barraclough, Mrs J Clough, Mr M Cooper, Mr G Dudley, Mr R James, Mr R Robertson, Miss S Wormald
2. Minutes of last meeting were approved and signed by the Chairman proposed by Mr Gary Docking, seconded by Mr Michael Neachell.
3.
 - i. RSPCA Case
Mrs Hicketts reported the Smiths case would be back in court on 28th 29th 30th November and 12th 13th December possibly in Luton or St Albans Magistrates Court.
 - ii. Tree Bench Ardingly
The bench has now been erected by the South of England which is a metal circular bench, the South of England paid half and Hackneys paid the other. The Society's contribution was 100.
 - iii. New Classes and Rules
Mrs Stockton said as far as she was concerned a newcomer's class was the most preferred from ideas put forward. The class would be open to animals that have never entered a class previously and no novice points would be awarded and if it was the only class they entered in that novice season then it would not be taken into account as part of a novice season. The rules for the Newcomers Class would be only for exhibits four-year-old or over in their first showing season. This class will have no qualifying or points accruing status and will not be taken into account (if it is the only class entered in a season) in the three-year novice allocation. To be judged under normal harness rules. For the schedule it is to read Stallion, mare or gelding either not exceeding or exceeding 14hh (For exhibits in their first showing season, will not be taken into account the three-year novice allocation if the only class shown in in that season). Mrs Stockton said she felt it would be best for the classes to be held on the Monday afternoon and to move the Private Drive, Double Harness and Trade to the Wednesday. Miss Peters proposed to introduce the newcomers class with the rules stated, seconded by Mr Docking, unanimous. Mrs Stockton reported Mr Haffenden had kindly agreed to supply cups if the classes were introduced.
Action Mrs Hicketts to include in schedule and put in newsletter. Mrs Stockton to write to Mr Haffenden to supply the cups and to thank him
Mr Docking said he had had a suggestion for some type of road drive at Ardingly and he said this was something the police would not be happy to have.
 - iv. Website
Mr Connolly reported Cheltenham Media had looked at various Equine sites and had made up a sample site. The cost to set up a new site would be 750 and 150 per year for the upkeep. He said he would get a code which he will pass to Council so that they can look and see if it would be of any interest. Mrs Hicketts felt a detailed list of what they were proposing for the 150 per year would be required. She said she had had a look at the sample site and felt it was very modern and quite eye-catching and in her opinion both the cost of the website design and the running of it was very reasonable. Council to discuss at the next meeting.
Action Mr Connolly to get full outline of what is proposed for the 150 and to distribute code to council
 - v. Medals/Trophies
Mr Connolly spoke to Mr Dudley and he said he would bring samples to the meeting but he did not say that he would not be attending. Council discussed at length the cost of the old medals, how much the new trophies were, whether trophies or Gold medals would be preferable, whether to increase the cost of entry so that a better winners medal or trophy to be given. Council felt it would be best to have samples of trophies and medals from Mr Dudley with the

cost and for Mrs Hicketts to contact previous supplier to see if they can supply another medal or the same one as previously supplied at a more competitive price.

Action Mr Dudley to supply sample and cost at next meeting. Mrs Hicketts to contact previous supplier

vi. Mr Ambrose

Mr James had emailed to say he had tried but been unable to locate Mr Ambrose, He had been to his address and a neighbour had said he had moved and was given another address but he was not there either. Mr Docking asked if he was still a member and Mrs Hicketts confirmed he was not and that a judge must be a member of the Society. Mr Docking proposed to remove Mr Ambrose from the judge's panel, seconded by Miss Peters, unanimous.

Action Secretary to remove Mr Ambrose from the judge's panel and to inform him
